**Waiver of Hearing to Modify Conditions
of Supervised Release or Extend Term of Supervision**

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

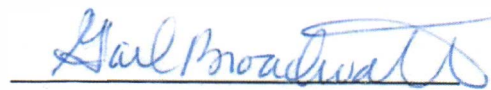

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Supervised Release or to the proposed extension of my term of supervision:

The court ordered 200 hours community service. The probation officer is requesting the community service be removed due to the defendant's current health status (recovery from cancer surgery). The defendant is a convicted sex offender and due to this conviction it is difficult to assign him to an appropriate community service site.
